

ARGENTINA OUTREACH

LATINO MINISTRIES | WINTER 2021

Argentina now has a second church gathering since the start of their work. They just held their first women's gathering of 2021 themed "Abigail". They had more than 25 women in attendance among both churches.

The work in Argentina is led by Pastor maria Grigioni. They recently gave away more than 200 toys to children in their community with three wise men in the back of their pick up truck.

Argentina is not yet officially recognized by Global Reach or the CGGC. We are praying this will be a recognized mission field soon! Caleb has already travelled there and spent time with the ministry. We are looking forward to taking Global Reach Representatives with us on an upcoming visit once travel restrictions are lifted.

Thank you for your support and encouragement. If you would like to send contributions to Pastors Caleb & Christina Acosta you can mail your check, made payable to "CGGC", to CGGC-Global Reach. On the memo line please note GR 2764 - Acosta. You can also give securely online at <https://secure.cggc.org/acosta-suport-gr2764>
