

ARGENTINA OUTREACH

LATINO MINISTRIES / SUMMER 2021

Pastor Maria Grigioni informs us the second church planted is doing okay. They have had some struggles because the area is not easy to reach out to. Meanwhile they are also outreaching into a new area called Moll. Here they plan to work with people in sharing about Jesus while also tending to some physical needs the community has. They recently had some speakers come to their home church to preach. She recently started a new gathering with the women of the church called "Mate de la Pastora" which is the same idea as "Coffee with the Pastor." Here they come together for fellowship and to discuss things as women that strengthen their life and walk in Christ. They do this while also inviting women who do not know Jesus yet so come and observe and hopefully be touched by the Spirit in some way. The goal is to introduce them to Christ and then follow alongside them. Pastor Maria puts out weekly verses to the people and gives some words of encouragement. For example, she posted on Psalms 139:23, "Search me God and know my heart." She had this to say:

"Just as this word says, examine me God and know my heart. On this day we must ask the Lord in prayer, to be examined by his Holy Spirit and thus day by day we mold ourselves to His will, to His path. Blessed Tuesday..."

Little encouragements like this go a long way to reach the people we least expect them to have an affect on. Pray for Pastor Maria as she continues to serve as Director/Pastor and as a police officer in her community. Pastor Maria also was a guest speaker on a program called "Mujer Avanza" or "Women go Forth." May God bless her and her son Valentino.
