

# Chile Outreach

LATINO MINISTRIES

Chile was one of the countries who also received Covid emergency funding that helped them to outreach to their neighbors. They are very grateful for the provision and this gave them a great way to become known among their community. Yolmary Yulepsy Rodriguez Garcias, and her husband Jose Darios Briceno Chacon, both are Venezuelans, and head up this outreach. Yolmary was a member of the Venezuelan ministry who moved to Chile over two years ago. Her husband moved first and then she followed. they have two children, a daughter and a son. Please keep them all in prayer.

*Chile is not yet officially recognized by Global Reach or the CGGC. We are praying this will be a recognized mission field in coming years. They are still very early in the exploration stage. Thank you for your support and encouragement!*
