

# Chile Outreach

LATINO MINISTRIES

FALL 2021

Exciting news to report for Chile! There has been a lot of prayer about getting churches involved in the Latino mission fields and we are finally seeing things start to pick up, meaning God is answering prayers.

Caleb & Christina Acosta recently held a meeting with Pastor Logan from Friendship Community Church on how they can be involved in the ministry and as a church they have decided on the ministry in Chile. We are praying that this year we can finally visit Chile as we have not been able to go since the Covid pandemic began. We plan to travel with Ben Tobias to see the work and speak with the pastors there.

Remember this church began as a house church and they are well over 35 plus members now and growing out of the space they currently have Friendship Community is praying about ways to get involved, one of those being to possibly provide children's resources for Bible study. We want to take time to say thank you for your encouragement and interest. We continue to pray for their relationship with Chile and believe both ends can be a blessing for each other.

*For it is by grace you have been saved, through faith, and this is not from yourselves, it is the gift of God, not by works, so that no one can boast. For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do.*

Ephesians 2:8-10
