## GOOD NEWS FROM GAMERCO

2021 has been good to Gamerco so far! We are thankful for the availability of vaccines in our area and for Gallup and the surrounding areas to open back up. While Gamerco has been open for service for several months, just recently Hoghan Nizhoni has been able to open back up. While we will certainly miss seeing some of the faces that we got to see from Hoghan, we are excited that they can resume worship in their home church.

Our youth group continues to gather weekly. We may be small, but we are mighty! We are digging deep into the Word of God together. We are currently working on a book study that is based in Philippians and have plans to study Romans after we finish. It is a blessing to see them start to open up to us and to each other. Our children’s ministry is currently at a standstill, but we are praying that we will see the return of many of their smiling faces this spring and summer.

Coming up, we hope to do some updates to our playground and have the church host some community outreach events lead by our own church members. We have learned so much in the past year about the people in our church and our surrounding community and have begun to take that knowledge and start putting it into exciting plans for the future. We are so eager to see where God leads us and the Gamerco Church of God!

### *Prayer Requests & Praises*

- For continued healing for Jake’s eyes and safe travels to and from Albuquerque for appointments
- Haley’s last semester of seminary
- Ability to do outreach in the community
- For us to continue to build positive relationships with church members
- Safety and health of teams traveling to Gamerco

# WHAT'S BEEN HAPPENING WITH US?

We have been busy! We finished up our spring semester of classes and now Haley only has one semester to go until she graduates with her Master's in Practical Theology. Jake recently had surgery on his right eye. It all happened kind of suddenly, but we are thankful for everything happening in a timely fashion. It is healing well, and we are hoping for full restoration in his sight. We are thankful for your continued prayers!

Easter was a joyous time. We were so thankful to be able to gather together and partake in feet washing and Communion together for the first time in over a year. It was a time of great edification and worship for our congregation as we celebrated the resurrection of our Lord and Savior.

We are both working on getting our credentials through the Western Region. At the time of this writing, we have interviews coming up. It is our goal to both become ordained after we graduate seminary, but this is a big step in the meantime to allow us to take on more roles in the church to help Pastor John as needed and to prepare for our futures.

## KEEP UP WITH US!

Follow along with what is happening here at Gamerco and in our lives on our new Facebook page!

[www.facebook.com/gamercogoodnews](http://www.facebook.com/gamercogoodnews)

Join us for Sunday service at 10am/MST on Facebook Live!

## LOOKING AHEAD

We are excited for our first summer of teams visiting! We are praying that things continue to open in a safe manner and stay open so that we can host events because we are really looking forward to having lots of things happening at the church and in our community again. We hope that this summer is full of opportunities to make connections and build relationships with both teams and community members.

We would love to connect with you and your church! We created a Facebook page where we will be posting regular updates about what is happening here in Gamerco. It will also be a place of encouragement and an opportunity to pray for one another, so be sure to look us up!

Blessings,

*Haley & Jacob Day*
