

FALL 2021

DOMINICAN REPUBLIC

Latino Ministries

This year, Latino Ministries Pastors Caleb & Christina Acosta have been speaking with the Higher Hope Church, pastored by Mike Schooley, on how they can be involved in the Dominican Republic. We hope to bring a team along with us in the summer of 2022, where they can be introduced to the people and ministry there.

Since our talks, Kilometer 20 has grown stronger, and they now have land where they are building and worshipping. They have a beautiful children's ministry and are gaining ground in the village where they are located.

They have named the church Christ is My Hope Churches of God. Please keep them in prayer, especially Juaquin and Odalis, who are taking the lead with church planting.

I planted the seed, Apollos watered it, but God has been making it grow.
