## GOOD NEWS FROM GAMERCO

2021 was a challenging but very rewarding year! We got to experience a full summer of teams under the leadership of Pastor John which has prepared us for what is to come next year! The last time we talked, we had just had Vacation Bible School at both Hooghan and Gamerco. The VBS teams helped us create strong relationships with some new families that are still interacting with us and the church in different capacities. After the VBS teams, we had the work team from Eastern Region come and put another section of roof on the church. In December, Lord-willing, we will have one more team visit that will end the year and begin the new one by serving our youth and community.

### Prayer Requests & Praises

- For safety and health for the final teams of 2021
- Jake’s seminary work
- For us to continue to build positive relationships with church members
- We are thankful for time visiting with family and friends

# WHAT'S BEEN HAPPENING WITH US?

In October, we traveled to Pennsylvania to host a Mission Rally in the Allegheny Region at Camp Sunrise Mountain. It was our first experience in hosting an event like that and we think it was successful! We had over 50 people in attendance from about 10 different churches. We were able to meet up with old friends and meet many new people that have big hearts for missions and are doing incredible things in their own communities. At the rally, we highlighted what was happening in the Southwest, in Latino ministries, and in India and Bangladesh. We also put out a call for people to get involved in their own local communities and with ACTS Teams! We're all called to serve God and spread the Gospel. That looks different for each of us depending on our calling and our skills and abilities. For Jake and I, that meant moving to New Mexico and doing ministry here. We learned so much from hosting the rally and getting to know people. We returned to New Mexico with a renewed focus on our mission here. God has been working on our hearts in a big way and while we are passionate about many different things, he continues to bring our hearts and our focus right here to our home and church in Gamerco.

## LOOKING AHEAD: 2022

We are so looking forward to all of the amazing things that God has in store for us in 2022. The youth group has been working on several projects to help do some updates to our park and playground, so we are excited to see how that will play out. We have a full summer of teams booked already! We'll get to see some familiar faces and hopefully many new ones! We will be taking on greater roles here at Gamerco and hope to implement several new programs that will serve our congregants and our community in a hands-on way.

We want to say thank you to YOU, to everyone who reads these letters, visits the Southwest, or supports us in some way. The work that teams do to help grow and strengthen our ministry is irreplaceable. Also, your financial and prayer support is crucial for the work that we do here in Gamerco. You bless us immensely and we are so very thankful for it.

Blessings,

*Haley & Jacob Day*
