Summer 2022

We regret to notify you that Pastor Brigida Trinidad passed away earlier last month after suffering from an open wound in her stomach that would not heal. Latino Ministries and all the Latino churches are lamenting this loss. She lived a life for the Lord and spent her days church planting. Caleb and I were able to visit her quite frequently in the weeks leading up to her passing while also visiting with family and church members.

Her vision and efforts have been honored in that the church continues on! This was her one concern. She knew death was approaching and she was already preparing for the moment. She was at peace with this. The congregation recently purchased land with the help of Conference church donations and has since begun construction. The base is complete and is able to support up to 3 levels. Praise the Lord for this!

This specific neighborhood is an area that is growing and more people are moving in. People are constructing homes; beautiful homes and we believe this will be a neighborhood that is more financially stable in the coming years. I do believe the church here will minister to the families of higher incomes and this in itself is a blessing. The rich also recognize they need Jesus!
