## GOOD NEWS FROM GAMERCO

The summer season has started strong! In early May, a team from Eastern PA & Maryland came out to continue working on the church’s roof. It was an incredibly windy week, but they worked hard and accomplished so much despite the wind. God is so good! Then, a team from Bethel University (IN) came to do health & education clinics at Gamerco and Hooghan Nizhoni. They also gave Gamerco’s playground a facelift and helped get Broken Arrow Bible Ranch (local church camp) ready for the summer camping season!

### Prayer Requests & Praises

- Praise for how God is working in our church and community
- For continued wisdom and guidance as we lead our congregation
- For teams traveling to the Southwest & the work that they do
- For us to continue to reach our community in ways that fulfill both their earthly and spiritual needs

# WHAT'S BEEN HAPPENING WITH US?

We are settling nicely into our roles as co-pastors here at Gamerco! Finding our groove in preparing and giving sermons has been fun. We finished a series on the Gospel of John and now we are taking time over summer to focus on discipleship. Our youth group has gained some new faces and we've been taking a deep dive into who Jesus is. Our youth group girls are also starting a mural in our church. We love to see them being involved in and taking ownership in the church. Speaking of taking ownership- our church and community members donated over 35 items for two different auctions (one in-person & one online). Between the two auctions & a penny war, we've raised about \$2,000 to put into our building fund. We are incredibly thankful for everyone who bid on and bought items!

At the end of May, Haley officiated her very first wedding! Jake is continuing taking classes towards his MAPT. One of our biggest goals for the summer is just to continue to get to know the people in our congregation and community on a deeper level. We're both enjoying hosting teams and getting to know people. To see the relationships they are forming with the people in our churches and community is wonderful. God is so clearly working in and through their lives and in our churches. We can't wait to see what else God has in store for the rest of the summer!

## KEEP UP WITH US!

Follow along with what is happening here at Gamerco and in our lives on our Facebook ministry page!

## LOOKING AHEAD

We have several more teams coming out this summer. One team is hosting a Summer Arts Program/VBS at Gamerco and another is hosting a VBS at Hooghan Nizhoni. We have a few teams coming out to do work projects (fixing houses, updating the playgrounds at both churches, and much more). Please pray that as these teams come to do the work God has set out for them they can use every opportunity to share Christ and bring people to know Him!

Blessings,

*Haley & Jacob Day*
