

SUMMER 2021

# HONDURAS OUTREACH

LATINO MINISTRIES

One of the local members, Pedro, of the Sanidad Divina Church helped established a *Food to Eat* program in Honduras during the Covid restrictions. He recently had his first opportunity to travel to Honduras and see the work himself. Prior to this, the church was involved in helping him obtain food and clothing along with other resources to take with him. Pedro enlists the help of not only the local church in Columbia, PA, but also from other churches in the Lancaster County area: Lebanon, York and Columbia. There is an entire team that helps coordinate, cook the food and deliver it to local people in need.

He works very closely with a Pastor from this area and she is helping to get a new ministry started in that area. Pedro's desire is to be hands on with the food program, but he has asked for help and wants the Churches of God Latino Ministries to join in and begin ministry as a Conference/Church in Honduras. Caleb plans to visit the next time and see the work for himself. During Pedro's visit to Honduras, he very active in outreach to the community. From cooking, to visiting with people, to handing out clothes and food, to helping build someone a home by reconstructing their torn down location. Pray for Honduras and how God would lead us there.

***Honduras is not yet officially recognized by Global Reach or the CGGC. We are praying this will be a recognized mission in coming years. A local member of the Sanidad Divinia Congregation has connection there and is heavily involved with outreach ministry. The church has come alongside him and his efforts in supporting the work there. Thank you for your support and encouragement!***

***To give to Pastors Caleb & Christina Acosta, please make your check payable to "CGGC" with GR 2764 on the memo line. Mail to CGGC - Global Reach, PO Box 926, Findlay, OH 45839 or give online securely at <https://secure.cggc.org/acosta-support-gr2764>.***
