

# Maui Missions Newsletter

Summer 2021

Aloha mai kakou - greetings everyone!

This newsletter will be slightly different. Often we focus on ministry. This time I want to share with you what is happening with our believing youth and how they are impacting people for Jesus Christ, in their sphere of influence.

Cammi and her dog, Shadow. Cammi finished 1st year in pre-med and interns with a local cardiologist.

Kayli finished her Associates degree and plans to major in Business.

Alex and his fiancée, Kristin. Both are in medical school and plan to be doctors on Maui. Both intern at a cardiologist office.

Mavie and Katherine. Mavie is originally from Guyana, moved to New York, and then to Maui. Katherine leads Hawaiian hymns at church.

Darrin and Sherwin. Darrin is our neighbor and pastor Kapaku's prayer partner. Sherwin is a new believer and has been sober/clean for 3 months. Darrin is his sponsor.

## Prayer Requests

Pray for Reuben, who lives in the Honokohau Valley, that he may know Jesus Christ.

Pray for our Bible study on Spiritual Warfare. We are preparing for Satan's attack.

Pray for our prayer meeting as we reach out to residences and see what their needs are and how Jesus Christ can be an influence in their lives.

Kyra, Cole, and Jace. Kyra graduated from University of Michigan with a degree in Mechanical Engineering. Cole and Jace are 2nd year students at University of Georgia. Cole is majoring in Computer Science while Jace is majoring in Business-Marketing. They are our hanai (adopted) kids.
