

KENYA Missions Update

Summer 2022

Our pastors in Kenya work very hard to support themselves and the churches they serve. Most of them have second, or third jobs to be able to send their children to school, pay medical expenses, and provide a home.

With the Kenyan government starting to put more pressure on the clergy to have an education, our pastors are very grateful and feel so blessed to have the opportunity to study and attend the Winebrenner Theological Seminary classes we bring to them. Even though they lose a week's pay while attending our classes, it is a sacrifice they make so that there will be future leadership for the churches.

We have about 10 pastors who have been attending the training classes. One of our pastors, Robert Mwinga has been struggling to attend class as his wife was very ill.

Sagana Church

Pastor Robert had been hiring two motorbikes to transport his wife and children to church several times each week. The dusty roads make her condition worse. He started doing some fundraisers but did not have the funds to purchase a vehicle. The Wooster First Church of God was able to send support to help purchase a vehicle for Pastor Robert. This will enhance his ability to minister to his community as well as provide transportation for his family.

Pastor Robert reports his wife is healed. Praise the Lord! Please continue to pray that she gains strength. His church in Sagana hosts the training classes. We are thankful for their hospitality. Please pray for the pastors, the churches, and the training classes. We plan to add a second seminary class for 2022 in November.
