

Mexico Conference

LATINO MINISTRIES

Pastor Emigdio Sanchez currently serves as the Director of the Mexican Churches of God Conference. He pastors the "Nueva Vida" Church in the city of Mexico. Currently there are strict gather restrictions in Mexico because of the surge in Covid cases, so churches are not able to hold services. Pastor Emigdio shares that his heart and prayer request is that the churches would teach based on sound doctrine and teachings from the Bible, and that people would be able to discern wrong teachings from correct ones. They recently celebrated the birthday of one of their children. Pray for Pastor Emigdio as he faced a separation in his marriage over the past year(s) and his family has gone through a hard time coping with the new situation.

Meanwhile Pastor Emigdio has grown stronger and resilient and is becoming more steady and stable with the ministry in Mexico.

The Acostas request that you would continue to pray for unity among the churches and conference leaders. pray for a sense of continued direction and pray for the pastoral families. Ask that the enemy would loosen up the strongholds that he had in place over Mexico and the ministry there. Pray for the people who need him so.

In March 2021 another mountain village, near Dothu, caught fire.

Pray for the families to be protected and kept strong. This happened in a place called Bocua and the fires came very close to the people in Dothu, the village where we have ministry. Pray for Fausto Montoya Ramos who has been filling in for Pastor Israel at the church in Dothu in recent months. He is beginning to get back to normal by picking people up for church gatherings that have been restricted in Hidalgo, Mexico. We pray that the ministry be edified and strengthened.

The church in Dothu is still searching for land to purchase to begin building a church. \$4000 of those funds were sent a few years back and they are just waiting for land to become available. latino ministries has the other \$3475 waiting for confirmation of the availability of that land. These funds were donated by the Ney Church of God, pastored by Kevin and Kelly King. Bless their hearts and ministry as they continue to pray about missions in Mexico and next steps. Mexico has been one of the tougher ministry fields and we believe it is because the enemy has a strong hold in this country. The main belief is in the power of death and that it brings powerful things to people in the afterlife. Many people live by this faith and we pray that their eyes would be open to see the living God through Jesus Christ!

To financially support the ministry in Mexico or Latino Ministries Directors Caleb and Christina Acosta, make your check payable to "CGGC" and mail to "CGGC – Global Reach, PO Box 926, Findlay, OH 45839. On the memo line, list either GR2822 Mexico Church Planting & Outreach or GR2764 Pastors Caleb & Christina Acosta Support. To give securely online, visit cggc.org/global-reach-ministries and select Mexico or USA Latino Ministries. Thank you for your support and gifts!
