

Blessings from the Hooghan Nizhoni and Gamerco Churches

PRAYER REQUESTS AND PRAISES:

- Praise God for a bountiful monsoon season this year.
- Praise God for getting to Findlay to see Haley graduate from WTS!
- Pray that men would continue to grow in knowledge and understanding of our Lord.
- Pray that men lead by the hearth and under the cross.
- Pray for the pleasure of His good will in our lives.
- Praise God the metal roof at Gamerco stopped the leak in the vestibule.
- Praise God for his provision during this season of virus.

SUMMER 2021

We are in the middle of the team season just now and all has been well so far. The ACTS team was down several weeks back and it was a huge success. While not a large team it had quality in ministry. I look for these ladies to be called to farther service in the Lord! We thank you Kendall and Donna for your devotion to the Southwest ACTS Teams over

the years. One of the young ladies is back down here with us for a spell! I quizzed her on what she was going to do and the answer was "I am the "yes" person". What is that? Well if someone says "Can someone do thus and so?" she says "Yes I can". O, that we all had a heart of service like that.

As I write we have the team from West Newton Church of God, Pastor Dunlap, and eight other teachers, craft persons, singers, and players of skits presenting VBS at the Hooghan Nizhoni Church. This is one of the greatest teams we have seen - just full of love for our people, certainly a blessing. The curriculum they are using was written by the West Newton Church members themselves and it is amazing, titled "One God- Only God." We were not sure how VBS would go with all the time out and the lock outs, but it was well received by the church.

We continue teaching on how to stay on the path that He has placed each one of us on. Having looked at prayer first, we are now looking at Scripture, its uniqueness among all other writings, in distribution, in its destructibility, its effect on all other literature, and its influence on language and culture.

We have seen how the Canon was received by the church through the Holy Ghost and the Bible was not “made” by the church. We have yet to look at its all efficient application as instruction for our lives.

Miss Toni and I are doing well and looking forward to coming east next year for the Conference. We pray all this virus is behind us. In August we will have 15 years here; we can only praise the Lord for this. We also praise you for your long lasting prayer for us, the ministry, and for your generous support; these have kept us on the field! Thanks!

In His Path,
Miss Toni & John
