

With passionate delivery and eye-popping technology, the UnveilinGLORY Seminar looks at God's Word from God's perspective, giving new meaning to life and new dimensions to missions.

### **Cat & Dog Theology – (Session #1)**

Using “Cat & Dog Theology,” the first hour unveils the lost, ignored and maligned glory of God among the peoples of the human race. Featured is a new perspective, a “paradigm shift” from man-centered theology back to God-centered thinking, from “ME-ow-logy” to “THEOlogy”, from believing “God exists for me” to “I exist for God”: His pleasure, His purposes, His glory. See how God's glory is woven into the fabric of life like the “tessera” of a grand stained glass window, and how to unveil God's fame for all to see and reflect back to the creator.

### **The Story of the Bible – (Session #2)**

Jesus did *not* initiate the idea of the Great Commission! With that startling announcement, this Bible workshop begins in Genesis and finds that the Old Testament has always decreed God's desire to reach people from every tongue, every tribe and every nation. We'll see that while the message of the Bible has always been two-fold, much of the modern gospel is limited to only one message. You'll begin to see the Bible, *not* as 66 books – but as one book, with one introduction, one story and one conclusion. The Bible will be understood as many stories that tell *one* story, His-Story. You'll know what that story is, and how all of history has pointed us toward that one dramatic conclusion.

### **The Missing Half of Your Bible – (Session #3)**

If the gospel has always consisted of 2 messages (Top-Line and Bottom-Line) and we've only been hearing half the story, how do we find the missing half of our Bible? Where and what is the missing message in the stories of Daniel and the lion's den, David fighting Goliath, Solomon and his wisdom? You'll leave this session with a new appreciation for missions in the major stories of the Bible... and a new motivation to seek them out every time you open your Bible!

### **The State of the Gospel – (Session #4)**

In view of our new understanding of God's glory, our purpose in life, God's purpose in history and our view of the main message of the Bible, how should we live and what should we do? In this dramatic conclusion, you'll discover what God's doing to make Himself famous and what He asks of the Church. You'll also be pointed to practical things you and your church can do *now* to fulfill God's greatest desire and design. If you are excited about giving God his greatest glory... at the end of this presentation you'll know what to do!
