Caleb & Christina Acosta

Summer 2022

**Sanidad Divina Church** (Divine Healing) is preparing leadership. Every Tuesday we hold leadership classes in hopes that leaders will rise up and be sent out to begin a new work. The church also continues to explore opportunity in Honduras through a local church member who is currently reaching out. We have taken on financial sponsoring on a monthly bases for this work. Caleb has had the opportunity to visit Honduras earlier this year and we hope to visit a 2<sup>nd</sup> time in the coming year. Caleb and I are currently in the process of visiting each of the countries to see how things are going with Latino Missions around the World.

## Betesda Casa de Misericordia Church

(Bethesda House of Mercy)

The pastoral family has taken a recent vacation away from ministry to enjoy each other and their much needed family time! Pray for their family and for God's protection. We pray for their health and God's provision over them.

## Esperanza de Gloria Church

(Hope of Glory) has received some financial help from a local church to help with materials/printing. We are grateful for this. Another local church plans to hold a prayer walk with the York Congregation. We are excited that partnerships are coming about from all the reaching out! Pray for their growth as a congregation both physically and spiritually.
