

VENEZUELA CONFERENCE

LATINO MINISTRIES

Calabazo, Venezuela is reaching out more than ever! They are very active in social service to the community. Pastor Adam and Nurbis Garcia head up the work in Calabazo, and we are happy to have them as part of the Churches of God Conference in Venezuela. They pastor "Fuente de Agua Viva" meaning "Fountain of Living Water". Their motto is "Called to Serve". They serve a community of children from "Sector Campo Alegres" which means "The Neighborhood of Happiness." Here they have sport events, games, a food program, and they share God's word, which is above all. they see that God has been faithful to them in this mission and are blessed to be able to serve even more now under the pandemic restrictions than before the restrictions. They believe to serve God with passion, and to serve each other, is a blessing. Adam and Nurbis continue to reach out to the children in their community through a program called "Bread and Life" or "Pan y Vida." They believe that serving is one of their greatest blessings!
